Training experience

Prashani has delivered training in Food Safety, HACCP, Environmental, Quality, and Internal Audit. She delivers Exemplar Global-certified Food Safety Management Systems Lead Auditor training for RTP.

Auditing experience

Prashani has extensive experience in second and third party audits and has audited a wide range of organisations from large multinational FMCG companies to local family-owned small businesses. She has experience in technical review, and internal audits.

"Prashani was a fantastic presenter and was able to factor in the different perspectives from the different fields which the participants came from. The course structure was really good as well, it all came together really well over the 5 days."

- Carlisle Croft

"The trainer was very professional and helpful."

- Teagan Ackling

The course content is well structured and easy to follow, Prashani's wealth of knowledge and experience as an auditor complements the course as she is able to provide real life examples. I always enjoy attending training with RTP.
