Training experience

As the Founder and Director of RTP, Tom has built his career around design, development, and facilitation of both accredited and corporate learning and development programmes. He has overseen the delivery of multi-model training programmes across Australia, including face-to-face, live online, and eLearning solutions.

Auditing experience

Tom has worked with many organisations to undertake internal audits and independent reviews of their management systems, covering a range of areas including WHS, psychological health and safety, environmental compliance, quality, information security, compliance, and risk framework maturity reviews.

Tom was able to take potentially dry topics and present them in an interesting and relevant manner. He also ensured interaction with everyone on the course. Top job.

- Steve Hardy

Excellent content and a really great overview of the ISO standards and practical elements of conducting an audit. Tom was amazing, a great presenter and practical in his approach.

- Rory Martin

Tom has been a brilliant facilitator – innovative, friendly, and responsive to class discussion and requirements. Thanks!!
